The normal surplus which may be expected in future, *i.e.*, the difference between the average ordinary income and the average ordinary expenditure calculated on the figures in columns 13 to 15 and 17 to 19 respectively.

[*Vide* reply in clause (*d*) of the additional information on the reverse page.]

Remarks.

*This includes the expenditure on original water-supply as follows :—

1936-37.	1937-38.	1938-39.
Rs.	Rs.	Rs.
8,619	3,982	15,679

The amount of the entire loan of Rs. 71,000 was calculated on the average expenditure of the Board on water-supply leaving a margin of 25 per cent. of the capitalised value. In the triennium ending 1938-39 the normal programme was replaced by a comprehensive scheme of 150 wells which was begun in 1937-38, though payment was partially made in 1938-39 and is being made in 1939-40. Hence heavy differences in expenditures are seen in the above figure which cannot be taken to be normal ones. The average expenditure during the triennium ending 1936-37, *i.e.*, just before the loan scheme was launched upon was Rs. 7,148 which is sufficient to meet the instalments of repayment of this loan. *Cf.* reply in column (*a*) of the additional informations on the reverse

In addition to the details required on the reverse information should be given below under the following heads:—

(*a*) If the ordinary surplus is insufficient to meet the charges of the proposed loan, the particular steps which the district board has taken or has agreed to take in order to make good the dificiency.	The instalment of Rs. 1,545-3 will be met from the normal allotments on original allotments on original water-supply during the twenty years when no other work on original water-supply will be done unless the Board can provide extra fund for the same.
(*b*) Possible means of increase in the revenues of the district board.	It is estimated by the Director of Land Records that the cess revaluation of the district under the new Act will result in an increase in the cess receipt by about Rs. 62,369 and the district board have agreed to immediate cess revaluation which is long overdue. An increase in the income can therefore be well expected.
(*c*) A statement of all outstanding loans specifying in respect of each loan the date when taken, the purpose (very briefly), the amount, the annual charges involved and the amount still payable.	The first instalment of Rs. 50,000 out of the entire loan of Rs. 71,000 sanctioned for water-supply scheme was taken on the 1st August 1938 and instalment of Rs. 3,679-2 towards repayment of this loan is commencing from this year.
(*d*) Any explanation in regard to receipts and expenditure to show the true financial position of the district board when such position is otherwise than ordinary surplus would indicate.	1. During 1938-39 the receipt from Cess fell considerably due to a heavy and abnormal flood while expenditures on Public Health increased considerably to combat epidemic consequent upon the flood. 2. The expenditure under Civil Works increased due to partial utilisation of the loan of Rs. 50,000 granted last year on account of rural water-supply. The loan of Rs. 50,000 has been charged under "Debt, deposit and advances" and therefore not in ordinary receipt. 3. The statutory opening balance is 12½ per cent. of the Cess income which for this board comes on the average to about Rs. 22,000, whereas the actual opening balances in each of the years were much in excess of the statutory closing balance. The surpluses were used up in additional expenditures which are not of ordinary nature.

of the Department to which the question relates or in his absence any other Minister with the consent of the President, may then give the answer to the question orally,

(2) A member desiring to put supplementary questions under rule 34 of the Rules shall rise from his seat. The President may then call his name when he shall put his question and immediately resume his seat. The answer to such question may then be given.

(3) If a member, who wishes to ask a question, is either absent or does not rise to state the serial number of the question in the printed list, the President shall call aloud the name of the member in whose name the next question in the list stands.

(4) If a member in whose name a question stands in the printed list is absent, any other member may ask for leave of the President to put the question and if such permission is granted, the President shall call aloud the name of that member who shall then state the number of the question and immediately resume his seat and the Minister concerned may thereafter give the answer.

(5) The answer to a question the number of which is not stated by the member due to his absence, shall be published in the proceedings, but supplementary questions arising out of such answers shall not be allowed. In cases where a member being present in the chamber declines to state the number of his question, the question with its answer printed in the list shall not form part of the proceedings of the Council.

(6) In special cases supplementary questions may be permitted, on questions standing in the names of the members who happen to be absent, on a particular day to be fixed for the purpose by the President.

(7) All published reports, documents and papers referred to by the Ministers in their replies to questions shall, unless already there, be sent by the Ministers direct to the Library of the Bengal Legislature on the day on which the replies are sent to the Legislative Council Department. Papers so sent shall be kept by the Librarian and on the prorogation of the session they shall be returned to the Administrative Department concerned.

(8) All other unpublished reports and documents referred to by the Ministers in their replies to questions shall, if such papers do not form part of the body of the replies, be placed by the Ministers on the Table at the time when replies are given by them in the chamber. A copy of such paper shall be sent to the Legislative Council Department along with the answer to the question.

(9) Whenever a Minister would like to place any papers in the Library of the Bengal Legislature in reply to a question put in the Council, copies of such papers should be sent direct to the Librarian for being kept on record in the Library for the future reference of the members.

(10) Whenever a printed document or volume is referred to in the reply to a question, such document or volume should, unless already there, be placed in the Library of the Bengal

Legislature by the Administrative Department concerned for the reference of the members.

(*11*) All statements or documents, which are prepared for the purpose of giving answer to a particular question and are not published documents, shall be placed on the Table in the chamber and these shall form part of the proceedings of the Council.

(*12*) All papers placed in the Library of the Bengal Legislature shall not form part of the proceedings of the Council though they may be referred to in reply to a question answered on any particular day.

Motions concerning privileges of the Council. [*Vide* Rule 37(*2*).]

7. Any motion of an urgent matter of privilege of the Council shall take precedence over other motions and business appearing in the Order Paper for the day.

Divisions. (*Vide* Rule 38.)

8. (*1*) There shall be two division lobbies, viz., the "Ayes" lobby and the "Noes" lobby, on either side of the Chair.

(*2*) Votes may be taken by voices, by asking members to rise in their seats or by asking the members to go to the division lobbies.

(*3*) After a question is put, the President shall ascertain the sense of the Council by voices and shall give his opinion of the result by saying either, "I think the Ayes have it" or "I think the Noes have it" as the case may be. If the opinion so expressed is not immediately challenged by any member of the Council, the President shall thereafter announce the result of the voting so ascertained.

(*4*) If the opinion is challenged and a division is claimed, the President shall order the lobbies to be cleared of persons not entitled to vote. The Secretary shall thereupon ring the division bell for two minutes and all the doors leading to the lobbies and the chamber shall remain open during the time the bell is ringing to enable members to come in. The tellers shall in the meantime take up their respective positions in the division lobbies.

(*5*) As soon as the division bell stops ringing, all the doors leading to the two lobbies from outside and the main entrance to the chamber from the lounge shall be closed so that no one from beyond the lobbies and the chamber may enter the two lobbies and the chamber and the President shall immediately put the question a second time calling the members to vote by voices and shall similarly declare either that "I think the Ayes have it" or "I think the Noes have it" as the case may be. If the opinion so declared is again challenged the President shall direct the members who are in favour of the motion to go to the "Ayes" lobby and the members who are against the motion to go to the "Noes" lobby. Members desiring to vote shall thereupon proceed to the respective lobbies and appear before the tellers to record their votes by signing their names at places allotted for the purpose on the division lists in the presence of the tellers. The members shall be allowed only three minutes to go to the lobbies from the chamber and at the expiry of the three minutes the Secretary shall order the doors leading from the chamber to the lobbies to be closed and immediately the doors shall be closed and no member shall be permitted to enter the lobbies thereafter.

(*6*) If, however, it comes to the knowledge of the President that any member went to a lobby and voted after the doors were so closed, the President shall exclude such vote and announce the action taken by him to the Council. From the time the division bell starts ringing to the time the President directs the members to go to the lobbies, no Minister or member shall be allowed to leave his seat and to go to any part of the chamber.

(*7*) If the President is satisfied that any member has been taken to the lobby for the purpose of recording his vote against his will, the vote of such member shall be expunged from the division list on which it has been so recorded.

(*8*) If any member enters a lobby and discovers either before or after voting that he has come to the wrong lobby, he shall immediately inform the President and the President may in his discretion allow the member's vote to be expunged from the division list of such a lobby and to be entered in the division list of the lobby in which the member desired to vote, provided that such a mistake is brought to the notice of the President before the result of the division is declared.

(*9*) If a member owing to infirmity or any other sufficient reasons is unable to proceed to the lobby to record his vote he shall forthwith inform the President before the result of the division is declared. On receipt of such information, the President may in his discretion, allow such a member to vote from his seat and his vote shall thereupon be recorded in the divison list in which such member desires to have it recorded.

(*10*) (*a*) After the division lists have been received from the tellers, the Secretary shall count the signatures on the respective division lists and shall hand the result of the division to the President, who shall declare the result and state the decision of the Council on the question.

(*b*) If the President is of opinion that a division is being frivolously claimed by a few members, he may ask the members who are claiming a division to rise in their places. The Secretary shall thereupon count the number of the members so rising and, if the number is not more than three, the President shall announce the result without asking the members to go to the lobbies.

(*11*) When a division is in progress, no member shall be allowed to raise any points of order except those which arise out of the division itself and any member raising such points of order shall speak sitting.

Circulation of Bills.
[*Vide* Rule 53(*1*).]

9. (*1*) If a motion that the Bill be circulated for the purpose of eliciting opinion is carried in the Council, the Secretary shall ask—

(*i*) in the case of Government Bills, the Administrative Department to which the Bill relates, and

(*ii*) in the case of private members' Bills—

(*a*) the member in charge of the Bill, and

(*b*) the Administrative Department to which the Bill relates,

to supply the names of public bodies and associations whose opinion is desired on the Bill.

(*2*) In the event of the public bodies and associations, whose names are supplied as above, being numerous, the Secretary shall consult only such of them as are approved by the President in his discretion.

Quorum of Committees. (*Vide* Rule 56 (1).]

10. (*1*) In the case of a quorum of a Select Committee not being fixed by the Council, the number of members of a Select Committee whose presence shall be necessary for the purpose of forming a quorum, shall be one-third the total number of members of the Select Committee, or if the total number of members is not three or a multiple of three, then the number next higher than one-third of such number shall form a quorum.

(*2*) The number of members of a Committee of the whole Chamber whose presence shall be necessary to constitute a quorum shall be ten.

13. The number of members of the Committee on Petitions whose presence shall be necessary for the purpose of forming a quorum shall be three, including the Chairman.

14. (*1*) No member shall be permitted to sign more than one written requisition referred to in sub-rule (*1*) of rule 94 of the Rules.

(*2*) No member shall be allowed to withdraw his signature from the said requisition within 24 hours of the date fixed for the discussion of the particular resolution.

(*3*) If a member signs more than one requisition without withdrawing his signature from his previous requisition within the time allowed, the requisition which was first signed by him shall be treated as valid and his name shall be deemed to be withdrawn from the subsequent requisition.

(*4*) When two written requisitions have been received in respect of any one day and both are valid in accordance with the provisions of sub-rule (*1*) of rule 94 of the Rules, the special ballot to determine which of the resolutions specified in such requisitions shall have precedence on that day shall be by drawing of lots.

Motions for Adjournment for purposes of debate. (*Vide* Rule 99.)

15. (*1*) If more than one notice of a motion for adjournment of the business of the Council for the purpose of discussing a definite matter of urgent public importance is received for any particular day, such notices shall ordinarily be considered by the President *seriatim*, according to the date and time of their receipt, after the question hour :

Provided that the President may consider any notice out of its turn, if in his opinion it is of special importance.

(*2*) The President shall examine each motion for adjournment with a view to its admissibility or otherwise and as soon as a motion is found to be admissible, it will be set down for discussion at an hour to be appointed by the President. The foregoing procedure shall be followed on each succeeding meeting day till all the motions for adjournment have been disposed of by the President :

Provided in case a notice of a motion for adjournment is received before the motions referred to in paragraph (*2*) of this Standing Order are disposed of in the manner prescribed therein, the President may in his discretion either consider the fresh notice so received, or continue to consider the remaining motions referred to in the said paragraph and then take up other motions according to the date and time of the receipt of those notices.

Quorum of the Council. (*Vide* Rule 111.)

16. (*1*) If it appears, on notice being taken, or upon report, after a count has been made, that a quorum is not present, the President shall order the bell to be rung for two minutes. 18 Every notice or other paper which is required to be given or sent to any member shall be deemed to have been so given or duly sent to such member, if a copy thereof is despatched to the address of the member as registered in the Legislative Council Department.

Election by means of the single transferable vote. (*Vide* Rule 111.)

19. (*1*) *Definition.* In this Standing Order :—

(*i*) "Council," and "Secretary" have the meanings respectively assigned to them in the Rules ;

(*ii*) "continuing candidates" means candidates not elected or not excluded from the poll at any given time ;

(*iii*) "exhausted papers" means ballot papers on which no further preference is recorded for a continuing candidate ; provided that a paper shall also be deemed to be exhausted in any case in which—

(*a*) the names of two or more candidates, whether continuing or not, are marked with the same figure and are next in order of preference, or

(*b*) the name of the candidate next in order of preference, whether continuing or not, is marked by a figure not following consecutively after some other figure on the ballot paper, or by two or more figures ;*

(*iv*) "first preference" means the figure 1 set opposite the name of any candidate ; "second preference" similarly means the figure 2, "third preference" the figure 3, and so on ;

(*v*) "original votes" in regard to any candidate means the votes derived from ballot papers on which a first preference is recorded for such candidate ;

(*vi*) "surplus" means the number by which the value of the votes of any candidate original and transferred, exceeds the quota as defined in paragraph (12) of this Standing Order.

(*vii*) "transferred votes" in regard to any candidate means votes the value or part of the value of which is credited to such candidate and which are derived from ballot papers on which a second or subsequent preference is recorded for such candidate ;

(*viii*) "unexhausted paper" means ballot papers on which a further preference is recorded for a continuing candidate.

(2) *Proposal of candidates.*—(*i*) The President shall appoint a period of not less than three days within which notice may be given by any member desirous of proposing a member or members for election to the Committee of Privileges under sub-rule (*1*) of rule 120 of the Rules.

(*ii*) All such notices shall be signed by the member giving notice who must satisfy himself that the members he suggests are willing to serve if elected.

(*iii*) If, on the expiration of the period appointed under sub-paragraph (*i*) the number of candidates is less than the number of vacancies to be filled, the President shall appoint a further period

---

*The fact that a voter has not marked every preference correctly does not invalidate the whole of his preferences. His paper is only treated as exhausted when the wrongly marked preference is reached. The following are examples :—

	A 1		A 1
	B 2		B 2
(*1*)	C 3	(*2*)	C 3
	D 3		D 5
			E 6
	E 4		F—

In case (*1*) the preferences for A and B would be valid. If the third preference were reached the paper would be treated as exhausted, as it would be impossible to say for which candidate the voter really intended to give his third preference. In case (*2*) the preferences for A, B, and C would be valid, but not the later ones, whether D had been elected or excluded or was still a continuing candidate. It is possible that the voter meant to give a fourth preference for some other candidate, *e. g.*, F, but omitted to do so. It would not be possible to treat 5 as being meant to be 4.

within which the notice aforesaid may be given, and may thereafter appoint additional further periods until the number of candidates is not less than the number of vacancies to be filled.

(*iv*) If, on the expiration of the period appointed under sub-paragraph (*i*) or of any further period appointed under sub-paragraph (*iii*), the number of candidates is equal to the number of vacancies to be filled, the President shall declare all the candidates to be duly elected. .

(*v*) If, on the expiration of any such period, the number of candidates exceeds the number of vacancies, the President shall appoint a date for the holding of an election in the manner hereinafter prescribed, and shall cause notice to be sent of the date so appointed and of the names of the candidates to all members.

(3) *Voting.*—(*i*) All members shall be entitled to vote.

(*ii*) No vote shall be given by proxy.

(4) The Secretary shall act as the Returning Officer, and shall, subject to this Standing Order, do all things necessary for the conduct of the election.

(5) (*i*) The voting shall be by ballot. The Returning Officer shall ascertain that the person desiring to vote is a member who has not already voted, and shall then tear out a ballot paper from the ballot paper book printed for the purpose leaving the corresponding counterfoil in the book, and, having initialled the ballot paper with his initials on the back thereof, shall hand it to the member. Every ballot paper shall contain the names of all the candidates for election in the form prescribed in Appendix III.

(*ii*) When a member has received a ballot paper, he shall take the paper to a desk provided for the purpose and signify in the manner hereinafter provided for whom he desires to vote. The member shall then fold the ballot paper so that the Returning Officer's initials thereon may be visible, and having held up the ballot paper in such manner as to enable the Returning Officer to see the initials, shall drop the ballot paper in a ballot box to be placed in front of the Returning Officer.

(*iii*) If a member inadvertently spoils a ballot paper, he may return it to the Returning Offier, who shall, if satisfied of such inadvertence, give him another paper and retain the spoiled paper, and this spoiled paper shall be immediately cancelled and the fact of such cancellation shall be noted upon the counterfoil.

(6) Each member shall have one vote only. A member in giving his vote—

(*a*) must place on his ballot paper the figure 1 in the square opposite the name of the candidate for whom he votes ;

(*b*) may in addition place on his ballot paper the figure 2 or the figures 2 and 3, or 2, 3 and 4, and so on, in the squares opposite the names of other candidates in the order of his preference.

(7) A ballot paper shall be invalid—

(*a*) upon which a member signs his name or writes any word, or makes any mark by which the member may afterwards be identified ; or

(*b*) which does not bear the Returning Officer's initials ; or

(*c*) on which the figure 1 is not marked ; or

(*d*) on which the figure 1 is set opposite the name of more than one candidate ; or

(*e*) on which the figure 1 and some other figure is set opposite the name of the same candidate ; or

(*f*) which is unmarked or void for uncertainty.

(8) *Notice of date of count.*—The Returning Officer shall immediately after the closing of the voting seal the ballot box in the presence of any candidates who may be present and shall appoint a date for the counting of the votes. The Returnig Officer shall give notice of the date, time and place of the counting of the voting in writing to all candidates, who shall be entitled to be present.

(9) *The counting of votes.*—The ballot papers shall be examined and the Returning Officer, after rejecting any invalid ballot papers, shall divide the remaining papers into parcels according to the first preferences recorded for each candidate. He shall then count the number of papers in each parcel.

(10) In carrying out this Standing Order hereinafter contained, the Returning Officer shall—

(*a*) disregard all fractions ;

(*b*) ignore all preferences recorded for candidates already elected or excluded from the poll.

(11) For the purpose of facilitating the processes prescribed by this Standing Order hereinafter contained, each valid ballot paper shall be deemed to be of the value of one hundred.

(12) The Returning Officer shall add together the values of the papers in all the parcels and divide the total by a number exceeding by one the number of vacancies to be filled and the result increased by one shall be the number sufficient to secure the return of a candidate (hereinafter called the quota).

(13) If at any time a number of candidates equal to the number of persons to be elected has obtained the quota, such candidates shall be treated as elected, and no further steps shall be taken.

(14) (*i*) Any candidate the value of whose parcel, on the first preferences being counted, is equal to or greater than the quota, shall be declared elected.

(*ii*) If the value of the papers in any such parcel is equal to the quota, the papers shall be set aside as finally dealt with.

(*iii*) If the value of the papers in any such parcel is greater than the quota, the surplus shall be transferred to the continuing candidates indicated on the ballot papers as next in the order of the voters' preference, in the manner prescribed in paragraph (15).

(15) (*i*) If and whenever as the result of any operation prescribed by this Standing Order a candidate has a surplus, that surplus shall be transferred in accordance with the provisions of this paragraph.

(*ii*) If more than one candidate has a surplus, the largest surplus shall be dealt with first and the others in order of magnitude :

Provided that every surplus arising on the first count of votes shall be dealt with before those arising on the second count, and so on.

(*iii*) Where two or more surpluses are equal, the Returning Officer shall decide, as hereinafter provided in paragraph (20) which shall first be dealt with.

(*iv*) (*a*) If the surplus of any candidate to be transferred arises from original votes only, the Returning Officer shall examine all the papers in the parcel belonging to the candidate whose surplus is to be transferred, and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall also make a separate sub-parcel of the exhausted papers.

(*b*) He shall ascertain the value of the papers in each sub-parcel and of all the unexhausted papers.

(*c*) If the value of the unexhausted papers is equal to or less than the surplus, he shall transfer all the unexhausted papers at the value at which they were received by the candidate whose surplus is being transferred.

(*d*) If the value of the unexhausted papers is greater than the surplus, he shall transfer the sub-parcels of unexhausted papers, and the value at which each paper shall be transferred shall be ascertained by dividing the surplus by the total number of unexhausted papers.

(*v*) If the surplus of any candidate to be transferred arises from transferred as well as original votes, the Returning Officer shall re-examine all the papers in the sub-parcel last transferred to the candidate, and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall thereupon deal with the sub-parcels in the same manner as is provided in the case of the sub-parcels referred to in sub-paragraph (*iv*).

(*vi*) The papers transferred to each candidate shall be added in the form of a sub-parcel to the papers already belonging to such candidate.

(*vii*) All papers in the parcel or sub-parcel of an elected candidate not transferred under this paragraph shall be set aside, as finally dealt with.

(16) (*i*) If after all surpluses have been transferred, as hereinbefore directed, less than the number of candidates required has been elected, the Returning Officer shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preferences recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(*ii*) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(*iii*) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which and at the value of which he obtained them.

(*iv*) Each of such transfers shall be deemed to be a separate transfer.

(*v*) The process directed by this paragraph shall be repeated on the successive exclusions one after another of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

(17) If as the result of a transfer of papers under this Standing Order the value of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed, but no further papers shall be transferred to him.

(18) (*i*) If after the completion of any transfer under this Standing Order the value of the votes of any candidate shall be equal to or greater than the quota, he shall be declared elected.

(*ii*) If the value of the votes of any such candidate shall be equal to the quota, the whole of the papers on which such votes are recorded shall be set aside as finally dealt with.

(*iii*) If the value of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided, before the exclusion of any other candidate.

(19) (*i*) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(*ii*) When only one vacancy remains unfilled and the value of the votes of some one continuing candidate exceeds the total value of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be declared elected.

(*iii*) When only one vacancy remains unfilled and there are only two continuing candidates, and those two candidates have each the same value of votes and no surplus remains capable of transfer, one candidate shall be declared excluded under the next succeeding paragraph and the other declared elected.

(20) If, when there is more than one surplus to distribute, two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same value of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded shall have his surplus first distributed, or shall be first excluded, as the case may be. If the values of their original votes are equal, the Returning Officer shall decide by lot which candidate shall have his surplus distributed or be excluded.

COMMUNICATION.

New Delhi, the 1st March 1941.

No. D.-1069P.T./41.—The following rules for depositors in the Indian Post Office Defence Savings Bank are issued under the authority of the Central Government. These rules come into force from the 1st April 1941. All post offices doing Savings Bank business are Indian Post Office Defence Savings Banks for the purposes of these Rules:—

1. *Definitions.*—In these rules, save where the context otherwise requires,—

DEPOSIT means money paid into the Indian Post Office Defence Savings Bank by or on behalf of, a depositor.

DEPOSITOR means the person by whom, or on whose behalf, money is deposited.

ACCOUNT means the account of a depositor in the Indian Post Office Defence Savings Bank.

BALANCE means the balance at credit of an account.

MINOR means a person who is not deemed to have attained his majority under the Indian Majority Act, 1875.

GUARDIAN includes a father, or, if the father be dead, a mother, or, if both parents be dead and no guardian of the minor has been appointed by will or deed or under any enactment for the time being in force in British India, any adult relation of the minor with or by whom the minor is residing or being maintained.

DIRECTOR-GENERAL means the Director General of Posts and Telegraphs.

POSTMASTER-GENERAL means the chief postal authority in any province or place to which the system of the Indian Post Office Defence Savings Bank is extended.

2. *Object of Government in establishing the Indian Defence Savings Bank.*—The object of Government in establishing the Indian Post Office Defence Savings Bank is to provide a ready means for the deposit of their savings by persons of limited means with a view to enable them to help in the war effort.

3. *Persons who may deposit money.*—(1) Any person may deposit money in the Indian Post Office Defence Savings Bank on behalf of—

(a) himself,
(b) any minor of whom he is the guardian, or
(c) any lunatic of whom he is the guardian or manager appointed by a Court of Law:

Provided that the Superintendent of a Mental Hospital may deposit money on behalf of any lunatic confined in the hospital.

(2) Save as provided in sub-rule (1), deposits on behalf of any person shall be deemed to be deposits of that person and no claim preferred by any other person on the ground that the deposits were fictitiously made in the name of the former person and that the deposits belong to the claimant, shall be entertained.

4. *Limitations as to opening Accounts and Deposits.*—(1) No person shall have more than one account open in his name.

(2) In addition to any account which a person may open in his own name, he may open any number of separate accounts in the names of any minors or lunatics on whose behalf he may deposit money under sub-rule (1) of rule 3, provided that not more than one account shall be opened or kept open by him on behalf of any such minor or lunatic.

(3) The fact that an account has been opened on behalf of a minor shall not prevent such minor from opening an account in his own name; nor shall the fact that a married man has an account in his own name prevent his wife from opening a separate account in her own name, provided the money to be deposited by her is her own property or earning.

(4) An individual who is a depositor in the Post Office Savings Bank may also open an account in the Indian Post Office Defence Savings Bank and may also transfer his deposits from the former to the latter by filling up the form of withdrawal and handing it over at the post office at which his account stands. If he is already a depositor in the Indian Post Office Defence Savings Bank and has his account at that post office, the amount indicated in the withdrawal form will be transferred to his account in that Bank. If he is not already a depositor in that Bank he will have to follow the procedure laid down in rule 10, in addition to that indicated above.

(5) If through any cause an account has been opened or is kept open in contravention of the provision of these Rules, the Postmaster-General may at any time cause the account to be closed, with effect from such date as may be specified by him, and the depositor shall not be entitled to interest on the account from that date. When an account is closed under this sub-rule, notice in writing will be sent to the depositor, requiring him to present his pass-book and receive payment of the balance at his credit as soon as convenient. After the date of such notice, no deposit will be accepted in the account.

5. Deposits in trust are not allowed and cannot be recognised.

6. Money cannot be deposited in the name of two or more persons jointly, or in the name of a firm or company.

7. (1) No account shall be opened with a deposit of less than two rupees.

(2) No subsequent deposit shall be less than one rupee.

(3) No deposit, whether initial or subsequent shall include a fraction of a rupee.

8. The total amount which a depositor, adult or minor, may have at his credit at any time is Rs. 10,000.

Provided that the maximum balance of Rs. 10,000 may be increased by the addition from year to year of interest calculated on the maximum limit of Rs. 10,000.

9. *Powers and limitations as to withdrawals.*—Save after the death of a depositor, when the provisions of rule 21 will become applicable, deposits will not be allowed to be withdrawn earlier than twelve months after the date on which the Governor-General notifies the war to have terminated.

10. *How to open an account.*—Any person wishing to open an account should apply to the nearest post office which transacts Savings Bank business. Application need not necessarily be made in person; but the applicant must state his name and address. If he be an Indian he must also state his father's name and caste.

11. The intending depositor must sign a declaration, in the following form. If he be unable to write, he must attend personally, and in the presence of a witness, affix his mark or seal to the declaration to be attested by the signature of the witness. If he should apply in person, a copy of these rules will be given to him to read, or they will be read and explained to him, should he be unable to read. If he should not apply in person, a copy of these rules with the form of declaration will be sent to him and he must present the declaration duly signed with the first deposit.

Form of declaration to be signed by depositor on making first deposit.

"I hereby declare that the Indian Post Office Defence Savings Bank Rules have been read by me/to me and that I accept them as binding upon me."

"I further declare that I have no Indian Post Office Defence Savings Bank account opened by me on my own behalf at any Post Office."

NOTE.—The latter sentence is to be scored through in the case of an account opened on behalf of a lunatic or minor in which case the person opening the account must make the following further declaration(s):

"I further declare that I have no Indian Post Office Defence Savings Bank account on behalf of the lunatic/minor at any Post Office, and that the minor was born on (date by Christian era as nearly as can be ascertained)."

12. When the declaration is presented, duly signed, with the amount of the first deposit, or when it has been signed by a depositor, attending in person to make a deposit, the amount of the deposit will be entered in a pass-book which will be supplied to the depositor, and the entry will be initialled by the postmaster and stamped with the office stamp. The depositor will be required to sign a receipt for the pass-book.

13. If the account be opened at a sub or branch post office, the pass-book for the deposit will have to be obtained from the head office. A preliminary receipt for the amount of the first deposit will, therefore, be given to the depositor, who will be informed of the date on which he should call to receive the pass-book. When the pass-book is handed over to the depositor, he will be required to return this preliminary receipt and to sign a receipt for the pass-book. The amount of the original deposit will be entered in the pass-book by the head office, and the depositor will, therefore, have a guarantee that the sum has been received in that office. He should be careful to see that the entry in the pass-book corresponds with the amount entered in the preliminary receipt before giving up the latter.

14. *Pass-Book and its importance.*—(1) The pass-book will show, in English, the number of the account, with the name of the office from which the book is issued, and the depositor's name and address. No deposit after the initial one can be made without its production, and the Post Office will not be responsible for any sum not acknowledged in the pass-book. Production of the pass-book will also be necessary at the time when withdrawal from an account is permissible. (See rule 9). Depositors should carefully examine their pass-books before leaving the office and ascertain that the entries are correct. They should also be careful to keep their pass-books in their own possession, as Government does not accept responsibility for any loss caused to a depositor, if through his negligence, any person obtains possession of the book and fraudulently obtains payment.

(2) In the case of an account opened at a sub or branch post office, the pass-book will be sent to the head office as soon as possible after the 15th June, for entry of interest. The depositor will obtain a receipt in exchange for his pass-book, and he must give up this receipt when his pass-book is returned to him at the sub or branch office.

(3) A depositor can have his pass-book sent free of charge to the post office at which the account stands for the purpose of having the interest entered or the account transferred, or in response to a call from the post office, but not for the purpose of making a deposit.

15. *Loss of Pass-Book.*—No charge will be made for the pass-book at first supplied to a depositor, or for any book issued to him in continuation of the original book which will be retained by the post office. But if a pass-book be lost or spoiled the depositor will have to pay one rupee for a fresh book.

Exception.—When the balance at credit of the account is less than Rs. 100 the Postmaster-General may at his discretion grant exemption from the payment of the usual fee or sanction refund of the fee already paid, provided the pass-book is lost or spoiled in circumstances over which the depositor had no control. In other cases the exemption will be granted only when the pass-book is lost or spoiled through the fault of the Post Office.

NOTE.— When a pass-book is used up and a fresh one is issued to the depositor in continuation of the original one the used-up pass-book may be returned on receipt by the Postmaster of a written application from the depositor.

16. *Mode of depositing money after an account has been opened.*—(1) A depositor may deposit money at the Post Office at which his account stands as often as he wishes, so long as the prescribed maximum limit of Rs. 10,000 is not exceeded. All that he is required to do is to take or send the amount to be deposited with his pass-book, to the post office. The amount of his deposit will be entered in the pass-book, and the balance struck. The entry will then be initialled by the Postmaster and stamped with the date-stamp of the office, and the pass-book will be returned to the depositor or his messenger.

(2) A depositor whose account stands at a head office may deposit money at any of the sub-offices under that head office which transact Indian Post Office Defence Savings Bank business, and a depositor whose account stands at a sub-office may deposit money at the head office of the sub-office or at any of the sub-offices of that head office which transact Indian Post Office Defence Savings Bank business. Similarly, a depositor at a Branch office may deposit money at the office to which it is subordinate and if such office is a sub-office, he may also deposit money at the head office of such sub-office. With these exceptions a depositor may deposit money only at the post office at which his account stands.

17. If the amount be deposited at a sub or branch post office, the depositor will receive in addition to the receipt in his pass-book, an acknowledgment from the head office, which will generally be the office at the headquarters station of the district. This acknowledgment will be delivered to him in ordinary course through the Post Office. If it should not reach the depositor in proper time or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the pass-book, the depositor should immediately apply to the Postmaster of the head office, the name of which is in the pass-book, and renew his application again and again until he receives a satisfactory reply.

18. *Interest.*—(1) Interest will be allowed at the rate of 2½ per cent. per annum on all deposits subject to the conditions stated in this rule. Interest will be allowed for each calendar month on the lowest balance at credit of an account between the close of the fourth day and the end of the month; provided that interest shall be allowed only on sums of complete rupees, and that it shall be calculated to the nearest pie; provided further that interest shall not be allowed on any sum in excess of Rs. 10,000.

(2) Interest on accounts will cease to accrue from the date notified under rule 24 for the closure of accounts.

(3) Interest on the account of a deceased depositor will cease to accrue from the first day of the month in which notice is issued to the person or persons recognised by the Postmaster-General or the Head Postmaster as entitled to receive the balance of the account. No interest will be allowed on money deposited after his death in the account of a deceased depositor.

19. (1) Interest calculated as above for each month will be added each year to the balance of each account. Depositors should present their pass-books as soon as possible after the 15th June, in order that the necessary entries may be made in them. If the pass-book be not presented for this purpose, the entry will be made on the next occasion when it is presented.

(2) Pass-books of depositors in sub and branch Post Offices will be sent to the head office for the entry of interest under this rule.

(3) No balance will be struck in the pass-book after the 31st March until interest has been added for the past year.

(4) The Deputy Accountants-General, Posts and Telegraphs, Calcutta, Delhi, Nagpur and Madras are invested with the power of making at any time adjustments on account of excess or short credits of interest to a depositor's account, by deduction from, or addition to, the balance standing at the credit of such depositor, as the case may be. But such adjustments are not to be carried back beyond six preceding account years.

20. *Transfer of Accounts.*—(1) Subject to the provision of this rule, a depositor may have his account transferred, free of charge, to any post office that transacts Indian Post Office Defence Savings Bank business. If he should wish to transfer his account, he must present his pass-book personally, or send it to the post office and must in either case make a written application for transfer. He must at the same time, forward one, two or three, specimens of his signature according as post office to which the account is to be transferred is a head, sub, or branch office. The pass-book will be returned to the depositor (but see sub-rule 5 below), who should present it as soon as possible at the post office to which his account has been transferred.

(2) Accounts cannot be transferred from one head post office to another between the 16th and 31st March both days inclusive.

(3) An account cannot be transferred after the death of the depositor.

(4) When an application for the transfer of an account of a female depositor is made by her authorised agent or of an account opened on behalf of a minor by the person who opened it, the agent or the person who opened the account, as the case may be, must certify as follows above his signature on the application for transfer:—"Certified that the depositor is on this day alive and sane".

(5) The pass-book of a depositor in a sub or branch post office who wishes to transfer his account will first be sent to the head post office to which the sub or branch office is subordinate, to have the orders authorising the transfer entered in the book.

21. *Procedure to be followed in cases of succession.*—(1) If a depositor should die leaving a balance in cash not exceeding three thousand rupees, and if probate of his will, or

letters of administration of his estate, or a certificate granted under the Indian Succession Act, 1925, be not produced to the Postmaster-General within three months of the death of the said depositor, the Postmaster-General may pay the said sum of money to any person appearing to him to be entitled to receive it or to administer the estate of the deceased.

(2) The Head Postmaster of the office on the books of which the account of deceased depositor stands may exercise the powers vested in the Postmaster-General under sub-rule (1), on the same conditions in the cases in which the balance at credit of a deceased depositor is not in excess of one hundred rupees.

(3) Balances of a deceased depositor in excess of Rs. 3,000 may only be paid on production of probate, letters of administration, or a certificate under the Indian Succession Act, 1925. The Director-General has, however, discretionery power to dispense with such evidence if he is of opinion that to require it would cause hardship, and that to dispense with it would involve no appreciable risk.

22. If any depositor becomes insane or otherwise incapable of managing his affairs, and if such insanity or incapacity be proved to the satisfaction of the Postmaster-General, then the Postmaster-General may, permit withdrawal of the amount in deposit by any proper person twelve months after the date on which the Governor-General notifies the war to have terminated, as provided in Rule 9. Where a committee or manager has been duly appointed to administer the depositor's estate, nothing in this rule authorises payments to any person other than such committee or manager.

23. *Closing of Accounts.*—Depositors may withdraw the amount at their credit twelve months after the date on which the Governor-General declares the war to have terminated. In the case of minor's accounts who are still minors on that date, a certificate to the effect that the minor has not yet attained majority, and is sane and alive on the date of withdrawal, will have to be recorded by the person withdrawing the money. Such withdrawal from a minor's account can only be made by the father of the minor or if he be dead by his mother. In cases where both parents of the minor are dead, money can be withdrawn by his guardian on producing proof of guardianship to the satisfaction of the Postmaster-General, and on signing the certificate mentioned above. If on the date of withdrawal the minor has attained majority under the Indian Majority Act, 1875, the amount will be paid only on his signature and the discharge of the person depositing the money will not be valid or necessary.

24. Government may by notification in the official Gazette close the accounts with effect from the date on which the depositors are entitled to effect withdrawals under rule 23, or any subsequent date.

25. *Power of Government to alter Rules.*—The Central Government reserves the right to alter or add to these rules at any time.

PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 1st April, 1941:—

L. A. BILL NO. 22 OF 1941.

A Bill to regulate the extent to which railway property shall be liable to taxation imposed by an authority within a Province.

WHEREAS it is expedient to regulate the extent to which property vested in His Majesty for the purposes of the Central Government, being property of a railway, shall be liable to taxation imposed by an authority within a Province; It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Railways (Local Authorities' Taxation) Act, 1941.

(*2*) It extends to the whole of British India.

Definition.

2. In this Act,—

(*a*) "local authority" means a local authority as defined in the General Clauses Act, 1897, and includes any authority legally entitled to or entrusted with the control or management of any fund for the maintenance of watchmen or for the conservancy of a river; X of 1897.

(*b*) "railway administration" has the meaning assigned to the expression in clause (*6*) of section 3 of the Indian Railways Act, 1890. IX of 1890.

Liability of railways to taxation by local authorities.

3. (*1*) In respect of property vested in His Majesty for the purposes of the Central Government, being property of a railway, a railway administration shall be liable to pay any tax in aid of the funds of any local authority, if and to such extent as the Central Government, by notification in the official Gazette, declares it to be so liable.

*The Governor General has been pleased to give the sanction required by sub-section (2) of section 67 of the Government of India Act, as saved from repeal by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936, to the introduction in the Legislative Assembly of this Bill.

(*2*) A notification issued under sub-section (*1*) may modify any tax in its application to any railway administration and in particular and without prejudice to the generality of the foregoing power may reduce the rate of the tax in respect of all or any part of the property of the railway administration, or may define the manner in which the tax shall be assessed on any such property or may exempt any particular property or class of property or any specified area from the whole or any portion of the tax.

(*3*) While a notification under sub-section (*1*) is in force, the railway administration shall be liable to pay to the local authority either the tax mentioned in the notification or in lieu thereof such sum, if any, as an officer appointed in this behalf by the Central Government may, having regard to all the circumstances of the case, from time to time determine to be fair and reasonable.

Modification of existing liability to taxation.

4. The Central Government may, by notification in the official Gazette, revoke or vary any notification issued under clause (*1*) of section 135 of the Indian Railways Act, 1890; and where a notification is so revoked any liability arising out of the notification to pay any tax to any local authority shall cease, and where a notification is so varied the liability arising out of the notification shall be varied accordingly. IX of 1890.

Saving.

5. Nothing in this Act shall be construed as debarring any railway administration administering a railway from entering into a contract with any local authority for the supply of water or light or for the scavenging of railway premises or for any other service which the local authority may be rendering or be prepared to render within any part of the local area under its control.

STATEMENT OF OBJECTS AND REASONS.

Section 135 of the Indian Railways Act, 1890, provided that no railway property could be subjected to a tax by a local body, unless the Governor General in Council had by notification declared the railway administration concerned to be liable to pay the tax. The Governor General in Council could at any time revoke or vary such a notification. Although the section is still in force, it can no longer be applied to State-owned railways because of the provisions of section 154 of the Government of India Act, 1935. This exempts State-owned railway property from provincial or local taxation except in so far as legislation may otherwise provide, but all the taxes payable by virtue of notifications issued under the Indian Railways Act before 1st April 1937 continue to be payable until legislation otherwise provides. The position thus is that until such a law is enacted, no new tax can be imposed in respect of such property, nor can any existing notification in respect of such property be varied or revoked.

2. A Bill to restore the position which existed prior to 1st April 1937 was introduced in the Legislative Assembly in 1938, but a motion for its circulation was rejected. Fears were expressed that the Bill would confer an unreasonable advantage on railways at the expense of Provincial Governments and local bodies, and objections were also based on the form which the Bill took. Actually, the rejection of the Bill has resulted in railways benefiting at the expense of taxing authorities, and representations have been made to the Government of India by Provincial Governments in favour of the enactment of legislation.

3. Moreover, the Government of India have been advised that the proviso to section 154 of the Government of India Act, 1935, does not include property acquired by Government after the 31st March 1937 and is confined to Crown property which was subject to taxation on that date. Local authorities have thus been deprived of revenue from taxation in respect of the property of several railway administrations recently purchased by Government and, in the absence of legislation, are likely to lose further revenue in the future.

4. It is therefore desirable to restore the position that existed prior to the 1st April 1937 by enabling the Central Government to issue, vary or revoke notifications regarding the liability to taxation by local bodies of all State-owned railways whether acquired before or after that date. The Bill in its substantial effect is similar to the Bill of 1938, but it has been modified in form to meet objections that were taken to that measure.

Rules.

Short title, extent and commencement.—(*1*) These rules may be called the Bengal Police Services Passage Rules, 1939.

(*2*) They shall apply to sergeants and officers promoted from that rank in the Bengal Police force whose domicile at the time of appointment as sergeant was non-Asiatic.

(*3*) These rules shall have effect and shall be deemed always to have had effect as if they had been made on the 22nd April 1939.

2. *Definitions.*—For the purpose of these rules—

(*1*) "Children" means legitimate children who, if females, are unmarried and under the age of 21 or if males, are under the age of 17, and includes step-children residing with and wholly dependent upon an officer;

(*2*) "Officer" means an individual to whom these rules apply;

(*3*) "Passage" means—

(*i*) the actual cost of the tourist accommodation of the lowest class by the all-sea route from Bombay to England by the P. & O. or other line, provided the cost of such other line is not more than the cost by the P. & O.; *plus*

(*ii*) the actual fare paid for railway journeys in India and Ceylon when travelling to avail of a sea passage, or when returning after having taken a sea passage under these rules, provided the fare shall not exceed the cost of a single 2nd class fare for the railway journey between Bombay and the place at which the officer was last stationed or to which he is posted on return to duty respectively.

(*4*) the domicile of a person at the date of his appointment shall be determined in accordance with the rules published with the Government of Bengal, notification No. 985F., dated the 17th February 1927.

3. *Account of passage monies.*—(*1*) A separate account shall be opened by the Accountant-General, Bengal, in the case of each officer, and if such officer is married, for his wife and if he has children, for each child. These accounts shall be credited respectively with the number of the passages to which the officer, his wife and children are entitled under rule 4, and no transfer of any credit shall be made from one account to another. Within the limit of those credits the officer shall be entitled to receive passages by sea between a port in India and a port outside Asia for himself, his wife and his children, respectively, provided as follows:—

(*b*) If the cost of any passage engaged is less than the cost of a passage by the P. & O. by sea between Bombay and London by all-sea route, and the individual concerned performs any part of the journey between port and port by land, it shall be permissible for such individual to draw the actual cost of the railway fare, but not exceeding the difference between the cost of the passage engaged and the cost of a passage by the P. & O. by sea between Bombay and London by the all-sea route.

(*2*) (*a*) Payment for all-sea passages shall be made by the Accountant-General, Bengal, to the steamship companies either direct or through recognized firms of passenger agents.

(*b*) Payment on account of journeys by land shall be made by the Accountant-General, Bengal, either to the officer making the claim or to the steamship company or a recognized firm of passenger agents.

(*3*) The accounts mentioned in sub-rule (*1*) shall be debited with the number of the passages actually engaged subject to the limit prescribed in that sub-rule, and with the number of fares drawn on account of railway journeys mentioned therein.

Note 1.—For the purpose of the proviso (*b*) to sub-rule (*1*) of this rule, a journey by land may be deemed to include a passage across the English Channel, and railway fare may be deemed to include the cost of such a passage.

4. *Number of passages available.*—The maximum benefits to which officers shall be entitled under these rules shall be as follows:—

(*a*) two return passages for the officer, the first after not less than 7 years' service in the Police Department and the second after an interval of not less than 7 years subsequent to the first; provided that officers who had more than 10 years' service in the police force on the 1st April 1939 shall be entitled to one return passage instead of two;

(*b*) a single passage for the officer on retirement on pension or on medical certificate provided the officer avails himself of the passage within six months of his retirement;

(*b*) an order (hereafter in this rule referred to as a "winding up order") requiring the business to be wound up;

and the making of a restriction order as respects any business shall not prejudice the power of the Central Government, if it thinks it expedient so to do, at any subsequent date to make a winding up order as respects that business.

(3) Where an order under sub-rule (2) is made as respects any business, the Central Government may, by that or a subsequent order, appoint a Supervisor to control and supervise the carrying out of the order, and, in the case of a winding up order, to conduct the winding up of the business and may confer on the Supervisor any such powers in relation to the business as are exercisable by a liquidator in the voluntary winding up of a company in relation to the company (including power in the name of the person carrying on the business or in his own name, and by deed or otherwise, to convey or transfer any property, and power to apply to the court to determine any question arising in the carrying out of the order), and may by the order confer on the Supervisor such other powers as the Central Government thinks necessary or convenient for the purpose of giving full effect to the order.

(4) Where a restriction order or a winding up order is made as respects any business, the distribution of any assets of the business which are distributed while the order is in force shall be subject to the same rules as to preferential payments as are applicable to the distribution of the assets of a company which is being wound up, and the said assets of the business shall, so far as they are available for discharging unsecured debts, be applied in discharging unsecured debts due to creditors of the business who are not enemies in priority to unsecured debts due to any other creditors and any balance, after providing for the discharge of all liabilities of the business, shall be distributed among the persons interested in the business in such manner as the Central Government may direct:

Provided that the provisions of this sub-rule shall, in their application to the distribution of any money or other property which would, in accordance with those provisions, fall to be paid or transferred to an enemy, whether as a creditor or otherwise, have effect subject to the provisions of rule 114 and of any order made under that rule.

(5) Where any business for which a Supervisor has been appointed under this rule has assets in enemy

territory, the Supervisor shall, if in his opinion it is practicable so to do, cause an estimate to be prepared—

(*a*) of the value of those assets;

(*b*) of the amount of any liabilities of the business to creditors, whether secured or unsecured, who are enemies;

(*c*) of the amount of the claims of persons who are enemies to participate, otherwise than as creditors of the business, in any distribution of assets of the business made while an order under sub-rule (2) is in force as respects the business.

and, where such an estimate is made, the said liabilities and claims shall, for the purposes of this rule, be deemed to have been satisfied out of the said assets of the business in enemy territory, or to have been satisfied thereout so far as those assets will go, and only the balance (if any) shall rank for satisfaction out of the other assets of the business.

(6) Where an estimate has been prepared under sub-rule (5), a certificate of the Supervisor as to the value or amount of any assets, claims or liabilities to which the estimate relates shall be conclusive for the purpose of determining the amount of the assets of the business available for discharging the other liabilities of the business and for distribution amongst other persons claiming to be interested in the business:

Provided that nothing in this sub-rule shall affect the rights of creditors of, and other persons interested in, the business against the assets of the business in enemy territory.

(7) The Central Government may, on an application made by a Supervisor appointed under this rule, after considering the application and any objections which may be made by any person who appears to the Central Government to be interested, by order grant the Supervisor a release, and an order of the Central Government under this sub-rule shall discharge the Supervisor from all liability in respect of any act done or default made by him in the exercise and performance of his powers and duties as Supervisor, but any such order may be revoked by the Central Government on proof that it was obtained by fraud or by suppression or concealment of any material fact.

(8) Where an order under sub-rule (2) has been made as respects a business carried on by any individuals or by a company, no insolvency petition against the individuals, or petition for the winding up of the company, shall be presented, or resolution for the winding up of the company passed, or steps for the enforcement of the rights of any creditors of the individuals or company taken, without the consent of the Central Government, but where the business is carried on by a company, the Central Government may present a petition for the winding up of the company by the court, and the making of an order under sub-rule (2) shall be a ground on which the company may be wound up by the court.

(9) Where an order is made under this rule appointing a Supervisor, for any business, any remuneration of, and any costs, charges and expenses incurred by, the Supervisor, and any other costs, charges and expenses incurred in connection with the control and supervision of the carrying out of the order, shall, to such amount as may be certified by the Central Government, be defrayed out of the assets of the business, and as from the date of the certificate be charged on those assets in priority to any other charges thereon.

(10) If any person contravenes the provisions of any order made under sub-rule (2), he shall be punishable with imprisonment for a term which may extend to five years or with fine or both."

The Bengal Criminal Law (Industrial Areas) Amendment Bill, 1941.

(Clause 3.)

(2) If any person charged under sub-section (1) in respect of anything declares that he received such thing from some other person, or that he was employed as a carrier, agent or servant to convey such thing for some other person, the Magistrate, after such further inquiry (if any) as he may deem necessary, may summon such other person, and any former or pretended purchaser or other person through whose possession such thing is alleged to have passed, to appear before him, and may examine such person and any witnesses who are produced to testify to such receipt, employment or possession ; and, if it appears to such Magistrate that any such person had possession of such thing and had reasonable cause to believe that it was stolen or fraudulently obtained, the Magistrate may punish him with fine which may extend to one hundred rupees, or with imprisonment, for a term which may extend to three months.

STATEMENT OF OBJECTS AND REASONS.

Thefts of articles from railway workshops and stores and from mill and industrial areas are of frequent occurrence and it is always difficult to bring the offenders to book owing to the difficulty of satisfactory identification of the articles as required by law. The question of dealing with the criminals has been examined by the Railway Administrations as also by the Blandy-Gordon Committee and by Government and the view has been held that the problem can be effectively met only by special legislation on the lines of sections 32 and 54A of the Calcutta Police Act, 1866, which while applying to the whole of Bengal should, at the outset, be extended to such individual areas as Government may, from time to time, notify to that effect. For the present, it is proposed to make the Bill applicable to the railway workshops at Kharagpur, Kanchrapara and Chittagong.

A

BILL

TO

Alter the constitution of the Board of Trustees of the Port of Madras.

WHEREAS it is expedient to alter the constitution of the Board of Trustees of the Port of Madras and for this purpose to amend the Madras Port Trust Act, 1905, in the manner hereinafter appearing; Mad. Act II of 1905.

It is hereby enacted as follows:—

commencement.

1. (*1*) This Act may be called the Madras Port Trust (Amendment) Act, 1941.

(*2*) It shall come into force on such date as the Central Government may, by notification in the official Gazette, appoint.

Substitution of new sections for sections 7 and 8, Madras Act II of 1905.

2. For sections 7 and 8 of the Madras Port Trust Act, 1905 (hereinafter referred to as the said Act), the following sections shall be substituted, namely:— Mad. Act II of 1905.

Constitution of the Board.

"7. The Board shall consist of fifteen Trustees, including the Chairman:

Provided that, if the Chairman is absent on leave for more than a fortnight and if another Chairman is appointed to act for him, the absent Chairman shall cease to be a Trustee during the continuance of the acting appointment, but shall again become a Trustee on his return to duty.

Appointment of Trustees.

8. (*1*) The Chairman shall be appointed by the Central Government. Of the remaining Trustees, four, of whom one shall be chosen to represent labour interests, shall be appointed by the Central Government, one shall be appointed by the Provincial Government, four shall be elected by the members for the time being of the Madras Chamber of Commerce, three by the members for the time being of the Southern India Chamber of Commerce, one by the members for the time being of the Southern India Skin and Hide Merchants' Association, and one by the Corporation of Madras.

(*2*) The Chairman of the Chamber or Association concerned in making an election under sub-section (*1*) and the Commissioner of the Corporation of Madras shall report to the Central Government the name of each person elected as a Trustee."

Amendment of section 13, Madras Act II of 1905.

3. In section 13 of the said Act, after the word "concerned" the words "or by the Corporation of Madras" shall be inserted, and for the words "the Central Government" the words "the authority by which he was appointed" shall be substituted.

Transition from existing constitution of Board of Trustees.

4. The appointments and elections referred to in section 8 of the said Act as amended by this Act, and the publication referred to in section 9 of the said Act may be made at any time after the passing of this Act and before this Act comes into force, but the Trustees so appointed and elected shall not assume office until this Act comes into force, and on the coming into force of this Act the term of office of the Trustees then holding office shall expire.

STATEMENT OF OBJECTS AND REASONS.

The constitution of the Board of Trustees of the Port of Madras was last revised in 1923. Changes in circumstances since that date justify a further revision.

2. Six seats are at present assigned to European commercial interests and four to Indian commercial interests. Information now available suggests that Europeans and Indians share almost equally in the traffic of the port ; it is therefore proposed to assign four seats to the Madras Chamber of Commerce, three to the Southern India Chamber of Commerce and one to the Southern India Skin and Hide Merchants' Association. Although it is ordinarily desirable to avoid the representation of specific branches of commerce, the representative of the last Association is retained on account of its special position. One elected seat has been assigned to the Madras Corporation, and it is proposed that one seat should be reserved for a representative of labour, in accordance with a recommendation made by the Royal Commission on Labour.

3. Of the remaining seats, it is proposed that one should be filled by a nominee of the Government of Madras, who are at present unrepresented. The others include the Chairman and will permit of representation of railway interests and of the appointment of the Collector of Customs.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 7th May 1941.

Summary.—Light to moderate rain fell in west Bengal and in parts of North Bengal, elsewhere the fall was generally heavy. More rain is needed for the cultivation of autumn crops in parts of west and north Bengal while in East Bengal a spell of dry weather is absolutely necessary for the operation and for the growth of the standing crops generally. In Murshidabad and Birbhum, 5,815 and 2,948 persons were employed respectively in test relief work on Saturday the 3rd May 1941 and 1,144 and 6,599 persons respectively received gratuitous relief. Distress also continues in parts of Malda where 177 persons were employed in test relief works. The average price of common rice this week is about 7 1/16 seers per rupee. It has risen by about 3·77 per cent. as compared with that of the previous week.

Provided that in the case of a British subject the requirements of parts (a) and (b) of this rule may be waived by the Secretary of State if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

NOTICE.

No. 768.—A competitive examination for entry to (1) the 'Technical Arms' wing (comprising the Indian Artillery, Indian Engineers, and Indian Corps of Signals), and (2) the 'Cavalry and Infantry' wing of the Indian Military Academy, Dehra Dun, in the term beginning on or about the 23rd January 1942; and (3) the Royal Indian Navy will be held in Delhi on Tuesday, the 21st October 1941, and subsequent days. The examination will be conducted by the Federal Public Service Commission.

2. The examination will be a combined one for the purpose of filling vacancies in (1) the 'Technical Arms' wing and (2) the 'Cavalry and Infantry' wing of the Indian Military Academy and (3) the Royal Indian Navy. A candidate may apply to be admitted to the examination for all or any of the above. If he wishes to be admitted as a candidate for more than one, he should state this on his application form. Separate applications are not required. He will be required to pay the application fee once only, and, in the case of the Royal Indian Navy, examination fee is also once only. If he proves successful as a candidate for more than one, he will ordinarily be assigned to the one for which he expressed a preference in his application; but the Government of India reserve power to assign him to any one.

3. At this examination 31 vacancies will be offered for entry to the Indian Military Academy. Of these it is anticipated that between 8 and 10 vacancies will be offered for entry into the 'Technical Arms' wing and the rest for the 'Cavalry and Infantry' wing. The Governor-General in Council, however, reserves to himself the right to fill three vacancies (to be varied between the two wings on the recommendation of the Commander-in-Chief after each examination) by nomination from among those who have qualified but failed to obtain sufficient marks to secure one of the other vacancies. One vacancy will be offered for admission to the Executive Branch and one for admission to the Engineer Branch of the Royal Indian Navy.

4. The examination for each wing of the Indian Military Academy will be separate and if an insufficient number of candidates qualify for the 'Technical Arms' wing the vacancies for the 'Cavalry and Infantry' wing will not be proportionately increased.

5. During the course at the Indian Military Academy transfers between wings will be permitted as the exigencies of the service demand. Cadets of the Technical wing will be posted to the arm of their choice according to their place on the final passing out list, but if their position on the list is not high enough to secure them a commission in the arm they prefer, they will be offered one in either of the other two technical arms.

6. As a war-time measure, it has been decided that cadets, who enter either wing of the Indian Military Academy by reason of their success at this or at subsequent examinations during the war, will, on satisfactory completion of the course, be granted emergency commissions in His Majesty's Indian Land Forces. As no definite guarantee can be given to parents or guardians that these emergency commissions will be confirmed as permanent commissions after the war, the Government of India have decided that:—

(1) no fees either for the examination or for the course at the Indian Military Academy shall be payable;

(ii) cadets will be treated in the same way as 'Army' cadets for the purposes of pay, travelling and medical arrangements, provision of free clothing, uniform, equipment, etc.

7. Candidates for admission to the Indian Military Academy must have been born not earlier than the 2nd November 1921 and not later than the 1st November 1923. Candidates for the Royal Indian Navy examination must have been born not earlier than the the 2nd May 1922 and not later than the 1st May 1924. These age limits can in no case be relaxed.

8. A candidate who desires to appear at the examination is required to submit to the Federal Public Service Commission his application in the prescribed form with the necessary documents in accordance with the instructions given in the Instructions to Candidates regarding the filling up and submission of applications. Applications must reach the Collector or Deputy Commissioner or the Political Officer or Resident or the Principal, Prince of Wales's Royal Indian Military College, Dehra Dun, on or before the 3rd July 1941. Copies of the Rules and the Application Form, etc., may be obtained from the Provincial Government, Administration or Durbar concerned. (In the case of the Punjab copies of Rules, etc., are obtainable from the Secretary, The Punjab and N.-W. F. P. Joint Public Service Commission, Lahore.)

THE FACT THAT AN APPLICATION FORM HAS BEEN SUPPLIED, ON WHATEVER DATE, WILL NOT BE ACCEPTED AS AN EXCUSE FOR THE LATE SUBMISSION OF AN APPLICATION. CANDIDATES WHO DELAY THEIR REQUESTS FOR FORMS UNTIL A LATE DATE WILL DO SO AT THEIR OWN RISK.

Note 1.—If any candidate has appeared at the examination held in March/April 1941, for entry to the Indian Military Academy, and/or the Royal Indian Navy, and not being successful thereat, wishes to appear at the examination to be held in October 1941, he must submit his application by the prescribed date without waiting for the results of the former examination. Should he have been successful, his candidature for the March/April examination will be cancelled.

Note 2.—The approximate cost of training for the Royal Indian Navy is £260.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the St. Thomas' School (Amendment) Act, 1941.

Amendment of section 2 of Bengal Act XII of 1923.

2. In section 2 of the St. Thomas' School Act, 1923 (hereinafter referred to as the said Act)—

(*1*) for sub-section (*2*) the following sub-section shall be substituted, namely :—

"(*2*) The Governors shall at a meeting co-opt with themselves two teachers, of either sex, of St. Thomas' School to be elected for the purpose of such co-option by the teachers of that school in the manner prescribed by rules made under section 15, and may at a meeting co-opt such other perons, of either sex, not exceeding three in number, as they may consider necessary ; and all persons co-opted under this sub-section shall be deemed to be Governors for the purposes of this Act." ;

STATEMENT OF OBJECTS AND REASONS.

Section 2(2) of the St. Thomas' School Act, 1923 (Bengal Act XII of 1923), provides for the co-option of three members as Governors of St. Thomas' School, Calcutta. The School has, however, been granted recognition by the Calcutta University subject to the condition that there should be two representatives from the teaching staff on the Governing Body.

The three members hitherto co-opted under the above section have been experts and have rendered valuable service to the School. The Governors consider it essential to have such useful persons on the Governing Body and suggest that there should be two additional co-opted members from the teaching staff to meet the requirements of the Calcutta University. It is therefore considered expedient to amend section 2 of the Act by providing for two additional co-opted members on the Governing Body of the School.

(*f*) Appeal from the decision of the trial court shall lie to the High Court and shall be heard and decided by a Muslim Judge of that court."

STATEMENT OF OBJECTS AND REASONS.

Ever since the passing of the Dissolution of Muslim Marriages Act, 1939, my attention has been drawn to the necessity of introducing some changes in the Act to bring it in full accordance with Muslim law. Only lately the Working Committee of the All-India Jammeut-ul-Ulemah, a much respected body of the Indian Muslim divines, in their meeting held from 29th September to 2nd October, 1940, agreed to a draft of amendments with this view and resolved that steps should be taken to give effect to it. It is in accordance with that draft that this amending Bill is sought to be introduced. I need hardly say that in matters of Muslim personal law as well as in religious matters great weight has to be attached to the opinions of these Ulemahs. Even other learned divines have expressed similar views. I give below the explanation for the various amendments proposed by this Bill.

MUHAMMAD AHMAD KAZMI.

ALLAHABAD;

Dated the 27th January, 1941.

NOTES ON CLAUSES.

Clause 2(a).—According to Muslim law if a non-Muslim husband and wife become converts to Islam, they have not to be married again and their previous marriage is regarded a valid marriage. The existing words take away such cases from the purview of the Act and hence the proposed amendment.

Clause 2 (b).—The authority for the option of puberty is said to be derived from an instance of the time of the holy prophet Mohammad, when he suggested this method of the dissolution of marriage to a girl who had been given in marriage by her uncle while she was a minor. From this instance the Hanafi Jurists argue that a minor girl given in marriage by the father or grand-father would not be entitled to a dissolution of marriage on the attainment of puberty. At the time this Act was on the legislative anvil some of the Honourable Members of the House maintained that as there was no prohibition in any of the traditions regarding the option of puberty in respect of marriages performed by any particular relation we must keep it quite general and so the section was passed in its present form. The Ulemahs, however, maintain that it is not correct and that all the Muslim Jurists are against it. For this reason this amendment is being proposed.

In connection with the 'option of puberty' the other matter to be considered is: what should be the time when this right can be exercised. According to Muslim law it is the time when the first signs of puberty appear. In India, however due to the institution of very strict 'purdah' the females generally have neither such knowledge nor are so free as they are contemplated to be by the Islamic Shareeat. In rare cases this right may be exercised at the actual time and the experience shows that most of the cases that are fought on the basis of option of puberty are based on false allegations and supported by perjured evidence. So the keeping of the appearance of the signs of puberty as the criterion of the time of the exercise of the right was considered to amount to the maintaining of unnecessary amount of perjured evidence in courts and to avoid all this the standard of age was adopted. The Ulemahs, however, maintain that it is not in accordance with the injunctions of the 'Shareeat'. The way in which they interpret the provision, however, relaxes some of the rigour of the rule. The words proposed are 'she refused to recognise her marriage'. This may to a certain extent help the women in the matter of burden of proof.

Clause 2(c).—In case of impotency, a husband is entitled to get a period of one year for medical treatment according to the provisions of Muslim law without any application to that effect. Hence the words 'on the application of the husband' are proposed to be deleted.

Clause 3(a).—This change is only to clarify the principle of Muslim law that mere conversion to another religion or renunciation of Islam does neither dissolve the marriage *ipso facto* nor can it be made a ground of obtaining a decree of dissolution of marriage.

Clause 3(b).—The first proviso is superfluous and becomes all the more so by the amendment proposed in clause 2 (*a*) as for obtaining relief under the Act it is not necessary for the woman that she be a Muslim. All that is required by the section is that she should be a wife according to Muslim law.

As to the second proviso I have to say that it was the result of a compromise arrived at between the various sections of the House and as such it is no wonder that it is not in accordance with the strict provisions of Muslim law. The Ulemahs insist on its deletion. As a party to the compromise I undoubtedly consider myself bound by it, but I think I have got a right of placing the same for a reconsideration in the light of the opinion of the Orthodox school and it is in this spirit that I propose this amendment.

Clause 4.—This is a clause which gave rise to the greatest opposition in the House when it was proposed in connection with the present Act and had to be dropped from it. Some persons thought that it was based on a mistrust of non-Muslim judicial officers, others thought that it was an indirect attempt to increase the number of Muslim judicial officers in the judiciary and the High Court. I assured the House then and maintain now that nothing can be further away from my thoughts than any of these suggestions. Some of the Muslim Members were opposed to this clause on the ground that it would make relief for the plaintiff difficult and more expensive. But in spite of all this the clause was proposed then and is being proposed now in accordance with the mandate of the overwhelming majority of Ulemahs of all schools

who consider that any decision given by a non-Muslim Judge in such matters is invalid and illegal. After the Act was passed, telegrams were sent by Jammeut-ul-Ulemah to His Excellency the Viceroy and other Members of the Government against the deletion of this clause. At the time when I agreed to the deletion of the clause I had submitted before the House that I intend to bring another Bill before the House by which the administration of such personal matters as do not affect third parties, may be handed over to the Kazis and I have actually given notice of a Bill based on that principle, but as the matter is very urgent and the demand is very insistent I think I can propose it for reconsideration at least till the time the Kazi Bill is passed into Act and comes into operation in a proper and approved form.

[ILLEGIBLE],
Personal Assistant, for *Commissioner.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 17th May 1941.

Monthly Weather and Crop Report of Bengal for April 1941.

I. *Character of the season.*—During the month under review, the rainfall was above the normal in 16 districts while in others it was below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—Dry weather interfered with the cultivation of jute and other autumn crops but good showers at the latter part of the month, facilitated the operation and benefited the standing crops generally.

III. *State of standing crops.*—The condition of the standing crops was generally fair but some damage was done by drought in places.

IV. *Prospects and probable outturn.*—The prospects of standing crops were affected by dry weather in places. The outturn of spring oilseed crops was estimated at 66 per cent. of the normal as against 73 per cent. of the last year.

V. *Damage to standing crops.*—Insufficient rainfall caused some damage to standing crops. A severe hailstorm on the 5th April caused damage to jute and other standing crops in Munshiganj subdivision of the Dacca district.

VI. *Condition of agricultural stock.*—The condition of livestock was, on the whole, fair. Sporadic cases of cattle-disease were, however, reported from 16 districts of the Presidency as also from the Cooch Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from parts of the 24-Parganas, Birbhum, Rajshahi, Murshidabad, Hooghly, Rangpur, Faridpur and Burdwan districts.

VIII. *Prices of food grains.*—During the second fortnight of the month, the retail prices of common rice of the cheapest quality rose in 14 districts, fell in 4 and remained stationary in the rest of the Presidency. The prices ranged from 6¾ seers per rupee at 24-Parganas to 9 seers per rupee at Chittagong and Chittagong Hill Tracts.

IX. *Condition of agricultural population.*—The condition of agricultural population was, on the whole, fair, except in the distressed areas of Murshidabad, Birbhum and Malda districts where relief measures were in operation.

A. AHMAD, for *Director of Agriculture, Bengal.*

Dacca, the 17th May 1941.

DEPARTMENT OF AGRICULTURE, BENGAL.

Ramna, Dacca, the 16th May 1941.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1940-41.

(*Note.*—On an average of the five years ending 1938-39, the area under linseed in Bengal has represented some 3·3 per cent. and that of rape and mustard 12·9 per cent. of the total area under these crops in India.)

Character of the season.—As indicated in the second forecast issued in February last, drought adversely affected the growth of the crops and consequently further reduced the outturn for the Province.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under the crops (excepting sesamum, for which separate forecasts are issued) is returned at 952,300 acres as against 965,200 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 66 per cent. of the normal as against 73 per cent. last year.

Taking 6¾ths maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yields of the crops for the Province is estimated at 157,000 tons this year as against 176,900 tons last year.

M. CARBERY,

Director of Agriculture, Bengal.

(*ii*) His age must be less than 25 years on the 1st February of the year in which the examination is held, provided that if he is on the said date already a temporary typist in an office to which these rules apply, he shall be eligible if his age on that date does not exceed 25 years by more than the length of his *continuous* temporary service.

Evidence that the candidate possesses the above qualifications must accompany the application. As evidence of age, the candidate must produce his Matriculation or an equivalent certificate. All certificates must be sent in original.

N.B.—The candidate must also pay into the treasury a sum of Rs. 5 by way of examination fee, and must forward the treasury receipt showing such payment with his application. Under no circumstances will this fee be refunded.

3. The candidate will be required to satisfy the examiners that he is able to transcribe accurately from legible handwriting at the rate of not less than 30 words a minute. The test will be for half-an-hour. The manuscript will be such as is used in ordinary Government correspondence, and the maximum percentage of error admissible shall not be more than five per cent.

4. Subject to the provisions of the Bengal Services Recruitment (Communal Ratio) Rules, 1940, permanent posts of typists shall be filled by the appointment in order of merit of candidates who have qualified at the recruitment examination.

5. 1. In rule 2 of the said rules after the definition of "the Act" *insert* the following:—

"(*ia*) "Chief Controller of Jute Regulation" means the person appointed by the Provincial Government to be the Chief Controller of Jute Regulation or to exercise all or any of the functions of the Chief Controller of Jute Regulation under these rules and includes every person who for the time being performs the duties of that office.

2. After rule 21 of the said rules *insert* the following new rules:—

"21A. (*1*) As soon as may be after the authentication of the record under sub-section (*1*) of section 5 of the Act the Chief Controller of Jute Regulation or any servant of the Crown authorised by him in this behalf shall cause a notice in Form No. 3(b) to be published in each mauza in the manner laid down in rule 13, and thereupon any grower of jute or his successor-in-interest in the area, who claims that any entry in the final record is incorrect or that any entry of land or the nature thereof has been improperly omitted from the final

record, may within one year from the date of authentication apply to the Collector or to a servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf to have the same duly rectified and thereupon the Collector or the servant of the Crown so appointed shall make such inquiry as he may deem fit and if satisfied shall take steps to revise the record accordingly.

(*2*) The applications referred to in sub-rule (*1*) of this rule shall be filed in Form No. 7(a) which shall be available free of charge from the Office of the Assistant Inspector in charge of the Jute Regulation Circle and shall be accompanied by the relevant extract of the finally published record-of-rights or a certified copy thereof:

Provided that where this condition cannot be fulfilled the Collector or the servant of the Crown acting as such may, if satisfied, accept in lieu thereof such details as may be essential for the identification of the land and calculation of area.

(*3*) A fee of annas 8 in Court-fee stamps shall be paid in respect of each such application and no application unless duly stamped shall be entertained.

21B. (*1*) The application if admissible shall be entered in the Register of Applications (mauza by mauza in Form No. 30) and the person presenting the application shall be given a receipt in the form appended to Form No. 7(*a*).

(*2*) After the applications have been duly entered in the Register the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf, shall, as soon as may be, cause a notice in Form No. 9(a) to be served on the applicant specifying therein at least seven days in advance the date, the hour and the place where an inquiry shall be held.

(*3*) Upon a notice in Form No. 9(a) being duly served on the applicant, it shall be the duty of the applicant to attend at the time and place fixed either personally or by an authorised agent and produce all the documents that may be necessary for the purpose of the inquiry and thereafter to appear every day or the days fixed for the purpose until the application has been finally disposed of.

(*4*) The notice in Form No. 9(*a*) shall be issued in duplicate. One copy shall be left with the applicant or his authorised agent or in their absence shall be hung in a conspicuous place where he ordinarily resides, and on the other copy the signature or thumb impression of the applicant or his authorised agent along with the signature or thumb impression of the person or persons in whose presence the notice is served shall be taken as token of service and this second copy shall be kept with the record.

21C. (*1*) On the date and at the time and place fixed the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf or any person deputed by either of them to hold an inquiry shall examine the application, hear the parties and after taking such evidence as may be available and after making such local inquiry as may be necessary, shall record on the reverse of the application a précis of the evidence and the result of the local inquiry, if any.

(*2*) If the inquiry be held by the Collector or by a servant of the Crown acting as such he shall record a decision thereon but if by a person other than either of them, he shall merely submit a report to the authority who ordered the inquiry:

Provided that the Collector may, if necessary, revise any order passed by a servant of the Crown acting as such irrespective of whether the order be on an application received by the latter direct or one sent to him by the Collector for final disposal.

(*3*) If as a result of inquiry it is found that an incorrect entry has been made or an omission has taken place in the final record, the Collector or the servant of the Crown acting as such shall direct the recording officer of the area concerned or shall himself take steps to correct the entry or make good the omission and thereupon the recording officer, if so directed, shall do the needful and may also be required to report of his having done so.

21D. (*1*) In cases of applications filed for recording any land under sub-section (*2*) of section 3 of the Act careful inquiry shall be made into the nature and location of the land and its capability to grow any crop other than jute. No such application shall be granted until the applicant has conclusively proved that the land in question cannot grow any other crop and did not during the last few years actually grow any other crop except jute though the latter alone shall not be taken as sufficient to support the claim.

(*2*) In cases of applications to record land under sub-section (*3*) of section 3 of the Act the applicant shall produce local evidence in support of the claim, including that of the growers of contiguous lands.

21E. A certificate of service of notice in Form Nos. 3(*b*) and 9(*a*) signed by an officer of the department not below the rank of an Assistant Inspector and filed with the mauza records, shall be conclusive evidence of the publication of such notice in respect of the person or persons specified in the said notice."

No. 25T.R.I.—20th May 1941.—In exercise of the powers conferred by section 55 of the Bengal Agricultural Debtors Act, 1935 (Bengal Act VII of 1936), the Governor is pleased to make the following amendments in the Bengal Agricultural Debtors Rules, 1936, published with notification No. 9187L.R., dated the 26th June 1936, as subsequently amended, namely:—

(1) To sub-rule (*1*) of rule 132 of the said rules the following proviso shall be added, namely:—

"Provided that before transferring records to the record room the Chairman of the Board shall certify that either the fees referred to in rule 139 have been realised or that a certificate proceeding referred to in that rule has actually been started."

(2) In rule 139 of the said rules—

For sub-rules (*2*) and (*3*) the following sub-rules shall be substituted, namely:—

"(*2*) If the debtor or any creditor does not pay by the date fixed by the Board the fees referred to in sub-rule (*1*), the Board may formally pass the order of determination under sub-section (*2*) of section 18 and thereafter proceed to dispose of the application, and shall take action under sub-rule (*4*) for the recovery of the said fees. But no award shall be signed until the Board has been satisfied and endorses on the order-sheet that the fees referred to in sub-rule (*1*) have been paid to the Board or that the list of defaulters referred to in sub-rule (*3*) has been issued to the Subdivisional Officer.

(*3*) By the 7th of each month the Board shall forward to the Subdivisional Officer a list in duplicate of debtors and creditors who have failed to pay the fees referred to in sub-rule (*1*) in the preceding month by the date fixed in that behalf by the Board under that sub-rule.

(*4*) On receipt of the list referred to in sub-rule (*3*) the Subdivisional Officer shall take necessary action to recover such fees as a public demand as provided in section 57 and return after due authentication the duplicate copy of the said list to the Board after the certificate for the recovery of such fees has been filed:

Provided that the Certificate Officer, if satisfied that there is good reason for allowing time for payment of the amount of the certificate filed for the recovery of any such fees, may allow time for such payment:

Provided further that where any such fees are due from the debtor and time is allowed to him under the first proviso for payment of such dues, the Certificate Officer in allowing such time shall take into consideration the factor that it is not ordinarily possible for a debtor to pay his dues unless he gets a harvest.

(*5*) The amount of demand on account of the fees referred to in sub-rule (*1*) shall be realised in court-fee stamps. Such stamps shall be punched in presence of the Certificate Officer and filed in the records of the certificate proceeding and a necessary note shall forthwith be made in Register 10. The Certificate Officer shall next requisition the record of the Debt Settlement Board case from the record room, if already consigned there, or from the Debt Settlement Board and make an entry about the recovery in the order-sheet of the case and return the record to the record room or the Board as the case may be.

The Certificate Officer shall communicate to the Debt Settlement Board concerned, through the Subdivisional Officer, about the recovery of the fees referred to in sub-rule (*1*). The Board on receipt of the information shall note such recovery in the remarks column of the case register as well as in the court-fee register and quote the number of the certificate case concerned. The realisation shall be entered in the quarterly returns of the quarter in which the fees are accounted for in the Board's office."
